

Our Lady of Good Counsel Altar Servers

It's time to consider how YOU can participate more fully and give witness to your faith! The ministry of Altar Server is one way to become more involved.

The purpose of Altar Servers is to provide service to the priest during parish liturgical functions. Girls and boys in grades 4 through 12 are eligible to serve and will be trained before they serve.

Servers will be scheduled with other family members involved in the Mass. Servers will be invited to assist at Weddings and Funerals.
