Transitions II

This is the second of two emails regarding changes in the OLGC Church Staff.

Irene M. Zaso

It is with great pleasure that we appoint Irene Zaso as OLGC's Director of Communications for the Parish. Irene is well known by most of you because of her dedicated involvement in the transition of our new website this year - for both church and school. She has also been behind the scenes bringing the Church into the social media world with up-to-date postings on Facebook, Twitter and Instagram.

The Objectives for our Communications Director are well known from our Pastoral Planning last year and we have finally found the candidate who can lead us toward our Communication goals. Irene will be a member of the Leader's team and will work to make the activities of all 5 Mission areas visible to the Parish and the Vienna Community.

Amy K. Winkler

Amy will continue as the Mission Director of Faith Formation and will take on the direct guidance of the Adult Faith Formation program due to Sr. Janice's transfer to Philadelphia. Amy will review the current programs and implement new programs for young adults and couples. If you have an interest in some specific formation programs, please talk with Amy.

Merle J. Senyk

Merle will expand her role as Events Coordinator, with a focus on the facilities scheduling, set-up and support to all OLGC organizations' planning events. Merle has been involved this spring in the development of a Master Calendar where all five Mission schedules were integrated to reduce conflicts for our Parish families. She will be the monitor of this calendar and publish it. She will coordinate with the Mission Directors on all new event requests. Merle will continue to create the Parish Bulletin in conjunction with the Director of Communications. She

will also continue to support the missions with event publications and other event planning as required.

Maria E. Romero

Maria is appointed our new Parish Welcome Center Coordinator. She will be responsible for the "front office" operations in the Administration building as well as coordinate our new Welcome Kiosk to be located in the OLGC Narthex. Maria will work closely with the new Hospitality Ministry. Maria has served as the CCF Office Assistant since 2015. Many of the CCF families know her well but she looks forward to helping more of our parishioners. Maria is bi-lingual so she will be able to receive visitors and phone calls in English and Spanish.

Sharon B. Hallahan

This past year Sharon has been sharing her time between Parish Development and the School Reception Desk. Since Vimin Honigford is transitioning to an instructional assistant position at the school, Sharon will be transferring to the school full time as the Receptionist. The School families will be seeing her smiling face every day next year!

Church Office Assistant Position is Open

The result of some of these transitions is an opening in the Church Office to support the Faith Formation Program and some of our larger Development projects. Duties include handling registrations for classes and events so work station and data skills are important. You must enjoy working with Parents and Parishioners! The position is full or near full time and includes 4 hours Saturday morning to support the CCF program. Those interested should contact Tom White at pastoralassociate@olgcv.org

Live Jesus!
