

Reflections from our Pastor:  
Fr. Matt would like to begin a regular "Musings" email to share his thoughts with the OLG C Community.

## Fr. Matt's Musings

### **Salesian Reflection**

Ordinary/Extraordinary. Most of us live ordinary lives. We go to work or school and we attend to daily duties. You have family responsibilities. Now that school has begun, many families start a routine of school and work, games and activities. St. Francis warns us about allowing routine to become a rut. His spirituality is an inner one. He asks us to bring great devotion and love to our ordinary tasks and especially to our relationships. He writes that when we do our ordinary tasks with great love, and when we show love to those in our lives it transforms the ordinary into something extraordinary. Let us seek to do all that we do with great love and devotion.

### **Installation**

This Sunday, at the 11:15 AM Mass, Bishop Loverde will install me as OLG C's Pastor. I am very humbled and honored to be here in this ministry. I am also grateful, happy and excited to serve the community here in Vienna. All are welcome to be a part of the celebration. There will be a reception in De ]Sales Hall following Mass.

### **Fall**

Today is the first day of the Fall season. The days will be cooler and the nights longer. Enjoy the Fall colors and the crisp air.

Live Jesus!
